

Return Authorization Guidelines for Associates and Customers

Mannatech stands behind the quality of its products and your satisfaction. Please go to Mannatech.com and login to your account to request a refund.

- An online return form must be completed per Mannatech account (This only pertains to refund requests of more than one account).
- The Mannatech Account Holder MUST be the person completing the online return form. If Payor is different from the Mannatech Account Holder, you must contact our Customer Care Department for further assistance.
- Satisfaction Guarantee applies to one refund request of the same product.
- A Mannatech Account Holder may only return product purchased within 180 days.
- Shipping fees are non-refundable.
- A refund request could affect qualifying volume, commission earned and loss of incentive qualification. Mannatech will not notify Associates that are impacted by returns.
- Only product approved for refund can be returned.
- Products must be postmarked no later than 30 days after the approval request is granted.
- Product/s price and applicable tax are credited to the original order payment method within 21 business days after a product is returned.
