

Support for Healthy Hormones From Naturally-Sourced Ingredients

Sometimes when you aren't at your best, your endocrine system may be to blame. With a powerful blend of natural ingredients, including wild yam and phytosterols, PLUS™ provides foundational support for the endocrine system, responsible for balancing hormones throughout the body. PLUS tablets also offer glutamic acid, arginine, Aloe and arabinogalactan for immune system support, as well as lysine and glycine to support muscle protein synthesis.

Get naturally-sourced nutrients you need by ordering PLUS today!

Benefits:

- Provides support for the endocrine system.
- Promotes maintenance of good overall health.
- Contains the amino acids glycine and arginine for antioxidant support.
- Contains the amino acids glycine, glutamic acid, lysine and arginine to support protein synthesis.
