

Fill in Where Your Food Falls Short With Naturally Sourced Nutrition

Many modern diets fail to supply the body with all it needs for optimum health. This means **you may not be getting enough nutrients** every day.

That's where NutriVerus® comes in. It provides **naturally-sourced vitamin and mineral complexes** to help you absorb more of what your body can use. With potent amounts of vitamin D and a powerful antioxidant formula, **this powder protects and promotes better immunity.**

Bolster your diet with real-food nutrition by taking NutriVerus today!

Benefits:

- Vitamins A, C and E provide antioxidant support.
- Copper, calcium, iron, iodine, folic acid, potassium, phosphorus, and selenium are minerals and factor in the maintenance of good health.
- Aloe has antioxidant, detoxification and immune-boosting properties.
- Vitamin D is a fat-soluble vitamin that helps with the absorption and use of calcium and phosphorus.

FUN FACT

The minerals found in NutriVerus are naturally-sourced. This means that your body is able to get minerals—that are vital to health—naturally!
