

# Advanced Ambrotose<sup>®</sup>

## Good health and general wellbeing

Ambrotose maintains/supports general health and wellbeing and contains Mannatech's patented Manapol formula. Manapol aloe vera extract is rich in acemannan, a component of aloe vera gel known for its various healing properties including maintaining/supporting immune system health. This purer form of aloe vera gel has a higher molecular weight than others, and is also richer in mannose, a glyconutrient.

Mannatech's Advanced Ambrotose also includes Undaria pinnatifida, a brown seaweed harvested from the clear waters off the coasts of Tasmania. It has a high concentration of the glyconutrient, fucoidan. The Advanced Ambrotose products also contain beta-carotene, a natural form of vitamin A.

### Benefits:

- Maintain/support healthy eyesight/vision
- Maintain/support general health and wellbeing
- Maintain/support digestive system health
- Maintain/support immune system health
