

Unveil Younger-Looking skin

Exclusive Formula for Time-Released Nourishment Patented Microsphere Technology

Nourish your skin using a **revolutionary, patented microsphere delivery system** with nutrient-rich ingredients, including Manapol® powder, developed to penetrate the deepest layers of the skin. This **can help nourish your skin in a time-released pattern** to give you radiance throughout the day.†

Give your body the chance to **fight the natural signs of aging**, help increase protein production and **fortify your skin** matrix with the help of herbal components and Glyconutrients. Uth Skin Rejuvenation Crème helps you **achieve luminous, healthy looking skin—the natural way.**†

Directions:

After cleansing, smooth Uth Skin Rejuvenation Crème on your face, neck and décolletage morning and night.

Benefits:

- Designed to penetrate each layer of skin to help reduce the appearance of fine lines and wrinkles.†
- Provides firmness, radiance and luminosity.†
- Developed to deliver naturally sourced Glyconutrients, herbal components and Manapol powder to the deepest layers of the skin.
- Includes proprietary herbal components to help fortify the skin matrix, increase the production of proteins and help protect against damage associated with aging.
- Hypoallergenic.
- Does not clog pores.
- Allergy and dermatologist tested.
- Not tested on animals.
- Safe for use around the eyes.
- Paraben free.
