

# Three Simple Steps to More Beautiful Skin: Uth™

CLEANSE • REVIVE • MOISTURIZE

## THE BEAUTY SYSTEM

Beautiful, age-defying skin is within your reach. Our easy, three-step system utilizes nature's most prized beauty secrets to cleanse, revive and moisturize your face. This system gently improves skin tone, firmness, elasticity and reduces the appearance of fine lines and wrinkles.†

### Uth™ FACIAL CLEANSER

Milled grape seeds gently exfoliate and help remove dead skin cells, leaving your skin feeling smooth and polished. Natural ingredients, aloe and sunflower oil, soothe and hydrate the skin.†

### Uth™ REJUVENATION CRÈME

Nourish your skin with naturally-sourced herbal components. Our proprietary blend of crocus bulb extract, wild pansies, artichoke leaf extract, Manapol® and the antioxidant astaxanthin, can increase skin firmness, elasticity and texture, giving your skin a soft, smooth appearance. These combined ingredients can also reduce the appearance of wrinkles, improve skin hydration, and reverse the signs of aging.†

### Uth™ MOISTURIZER

Clean, revived skin needs hydration. This exclusive blend of lavender extract, sunflower seed oil and myrtle leaf extract provide needed hydration to your skin and help lock in moisture for long-lasting conditioning. The included moisturizing antioxidant, Vitamin E, may help reduce fine lines and wrinkles, and any signs of premature aging.†
