

THE WORLD'S MOST COMPLETE COFFEE

Enhanced by Nature

Up to this point, you've only been drinking half a cup of coffee. That's about to change with Mannatech's GlycoCafé. By using all parts of the coffee fruit for their unique properties, Mannatech has created **the most complete coffee in the world**—with the added benefits of nutrients from nature.

Crafted using a blend of **organic Arabica beans**, antioxidant-rich **coffee fruit**, metabolism-boosting green coffee bean extract and infused with **Glyconutrients**, GlycoCafé doesn't just give you a delicious boost to get through your morning, it supports **wellness for the entire day.***

For a **complete coffee experience** that's enhanced by nature, order GlycoCafé today!

ARABICA BEANS

100%
ORGANIC

COFFEE FRUIT

Benefits:

- Improves cognitive function.*
- Provides high levels of antioxidants.*
- Supports a healthy metabolism.*

* These statements have not been evaluated by the Therapeutic Goods Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Organic Roasted Arabica Coffee Bean

This is the coffee you're normally used to. It's the roasted bean on the inside of the fruit that gives your morning cup that rich, smooth flavor.

Coffee Fruit

This is the outside of the coffee plant. Sometimes called the coffee cherry, it's red when ripe and offers a high concentration of polyphenols, which are powerful antioxidants.

Green Coffee Bean

These are the beans you may not be used to. They are actually the seeds of the coffee fruit that haven't been roasted yet. The usual process of roasting the beans degrades them, reducing their chlorogenic acid content and other polyphenol levels. So, leaving them in their natural form may provide more benefits.*

Cholorogenic acid is believed to have significant health benefits including supporting a healthy metabolism and increasing thermogenesis.*

RECOMMENDED USE:

Add one sachet per day to a mug of hot water. Stir.

Do not use if sachet is torn. Keep out of reach of children. Store in a cool, dry place.
