

# The World's Most Complete Coffee

## Enhanced by Nature

Up to this point, you've only been drinking half a cup of coffee. That's about to change with Mannatech's GlycoCafé™. By using all parts of the coffee fruit for their unique properties, Mannatech has created **the most complete coffee in the world**—with the added benefits of nutrients from nature.

Crafted using a blend of **organic Arabica beans**, **Coffeeberry® brand coffee fruit**, green coffee and infused with Glyconutrients, GlycoCafé doesn't just give you a delicious boost to get through your morning, it supports **wellness for the entire day**.

For a **complete coffee experience** that's enhanced by nature, order GlycoCafé today!

### Benefits:

- Increased alertness and focus from Arabica beans.
- Better cellular communication because of Glyconutrients.
- Higher concentration of polyphenols and chlorogenic acid than regular coffee.
- A boost of caffeine to wake you up and keep you moving.

### FUN FACT

Many instant coffees tend to use Robusta beans, which have an inferior taste. Our coffee uses a premium and flavourful Arabica bean.

GlycoCafé features a unique blend that provides benefits from the whole coffee fruit

### Organic Roasted Arabica Coffee Bean

This is the coffee you're normally used to. It's the roasted bean on the inside of the fruit that gives your morning cup that rich, smooth flavour.

Roasted Arabica is a premier coffee, known for increasing alertness and focus.

### Coffee Fruit

This is the outside of the coffee plant. Sometimes called the coffee cherry, it's red when ripe and offers a high concentration of polyphenols.

### Green Coffee Bean

These are the beans you may not be familiar with. They are actually the seeds of the coffee fruit that haven't been roasted yet. The usual process of roasting the beans degrades them, reducing their chlorogenic acid content and other polyphenol levels. So, leaving them in their natural form may provide more benefits.

This product is not intended/recommended for children and those sensitive to caffeine. Pregnant or nursing women, those with a medical condition and those taking medication should consult a healthcare professional before use.

100% Satisfaction Guarantee! If you try our products and are not completely satisfied for any reason, you can return them within 90 days of purchase for either an exchange of like products or a 100% refund.
