

Give your Body Extra Immune Support*

Stress, poor diet, lack of sleep and sometimes life in general can take a heavy toll on your immune system and your body can have a hard time keeping up.

ImmunoSTART® tablets are a proprietary chewable formula containing colostrum, β -glucan and modified citrus pectin. Designed to **help your body defend itself**, these tablets help give your immunity a natural kick so you don't have to slow down.*

Nurture your body to keep your immunity thriving!*

Benefits:

- Provides peptides, amino acids and glycoproteins designed to stimulate immune responses.*
- Primes the immune system to help you stay healthy.*
- Boasts a targeted array of nutrients that build and nurture immune health.*
- May increase plasma levels of the most abundant immune cells in the body.*
- Supplies natural antibodies.*

FUN FACT

Colostrum, a key ingredient in ImmunoSTART, contains various immune factors, including immunoglobulins. Immunoglobulin's (Ig) are one of nature's amazing antibodies that may raise immune cell counts, which is vital to having a normal immune response when your immune system is challenged.*
