ANTI-DOPING STATEMENT

Mannatech, Incorporated strongly supports anti-doping principles. Mannatech products are developed with the highest quality ingredients and without ingredients that are prohibited for athletes.

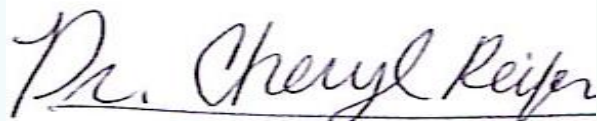

Mannatech is highly compliant with respect to comparing the ingredients we use in our products against the WADA (World Anti-Doping Agency) list: <http://www.wada-ama.org/en/About-WADA/>. Our products and their ingredients are reviewed annually to ensure that there are no incorporated prohibited substances. This screening is conducted by our Quality Assurance, Product Development, Safety Monitoring, and Regulatory Departments.

Mannatech products have been consumed by hundreds of thousands of people including numerous athletes without the adverse effects of doping. Since 1997, the Safety Monitoring department has not received any complaints pertaining to any doping effect.
