

Pure, Plant-Based Nutrition

The Perfect Healthy Drink for People on the Move

At last, there's Superfood Greens and Reds—a **pure, plant-based nutritional drink mix designed to help you increase your daily intake of fruits and veggies**. Superfood drink mix is a comprehensive blend containing vitamin C, Aloe and 16 fruits and vegetables.

Bursting with phytonutrients, Superfood also has a very special added ingredient: Soursop, an ancient, powerful superfruit! For many people it is challenging to eat enough of these important phytonutrients, but Superfood makes it easier.

Superfood is a concentrated greens and reds powder containing fruits and vegetables that goes far beyond basic green powders. A delicious strawberry-kiwi flavour that's excellent for athletes and professionals who are trying to increase their daily nutrition.

Superfood Greens and Reds drink mix has many benefits:

- Ketogenic and vegan friendly.
- Free from preservatives, artificial colors, artificial flavors or artificial sweeteners.
- Non-irradiated.
- Made with organic strawberry, raspberry, blueberry, tart cherry, elderberry, and cranberry.
- Contains Betaine, sourced from beet root, which is a powerful amino acid.
- Contains 4g of fibre per serving.
- Contains Mannatech's proprietary Glyconutrient[†] blend.

DID YOU KNOW

Only half of adults meet the recommended dietary guidelines for their daily servings of fruit and just one third get enough vegetables.¹

[†]Glyconutrients are beneficial saccharides found in nature.
