WHAT MAKES THIS PRODUCT SPECIAL?

WHO IS IT FOR?

- Uth products are designed for people who desire daily hydration to soothe and protect their skin.

TOP FAQ:

1. Where do I apply FIRM with Ambrotose?

This is a body crème that you can use all over your body including hands and neck area. For external use only. Do not put in eyes or on open wounds.

2. Is FIRM with Ambrotose body crème fragrance free?

There is no fragrance added to this product. There is a mild scent that comes from the combined, natural ingredients in the product.

3. Why was Camellia Oleifera leaf extract (Tea-Oil Camellia) chosen for the FIRM with Ambrotose?

This botanical, native to China, is used in skincare because of the smoothing, plumping and tightening effect.

4. Why are Glyconutrients[†] important for skincare products?

In skincare, similar to ingesting supplements, Glyconutrients help optimize the results of each product. They absorb down into the deepest layers of skin, providing hydration and nourishment your skin needs.

DIRECTIONS: Apply generously to legs, arms, stomach and hips daily or as needed. For external use only. Do not use in eye area.

[†]Glyconutrients are beneficial saccharides found in nature.
