

Better Health at the Cellular Level

U.S. product shown.

Advanced Ambrotose® capsules build on the solid, scientific foundation of Ambrotose® powders and offers a version that is kosher, vegan friendly and enriched with additional nutrients like Wakame (Undaria pinnatifida).

Mannatech created Ambrotose 20 years ago to offer a product that is scientifically shown to help **promote good health**.^{*} With proper nutrition and **cell-to-cell communication support**, this product offers **immune, organ** and **digestive support**.^{*}

Benefits:

- Supports your immune system as well as proper organ function.*
- Helps support proper digestive system function.*
- Promotes gastrointestinal health.*
- May enhance recall and recognition memory.*
- May improve mood and decrease irritability.*
- Supports cell-to-cell communication through a blend of specific plant saccharides called Glyconutrients[†].*
- Contains Manapol[®] which enhances the absorption of vitamins C and E.

FUN FACT

Wakame (Undaria pinnatifida), found in Advanced Ambrotose, is a mighty, edible, brown algae that has been used for thousands of years in Chinese and Ayurvedic (Indian) traditional practices and is known for promoting immune health.

[†]Glyconutrients are beneficial saccharides found in nature.
