

UTH® SKINCARE SYSTEM PRODUCT TRAINING SHEET

PRODUCT BASICS

PRODUCT DESCRIPTION: Beautiful, age-defying skin is within your reach. Our easy, three-step system utilizes a strategic blend of science and nature to cleanse, revive and moisturize your face. This system works from day one to gently improve skin tone, firmness, elasticity and help reduce the appearance of fine lines and wrinkles.

Uth Facial Cleanser with milled grape seeds gently exfoliate and help remove dead skin cells, leaving your skin feeling smooth and polished. Natural ingredients, Aloe and sunflower oil soothe and hydrate the skin. Reveal your brilliant, youthful glow!

Uth Skin Rejuvenation Crème boosts your body's natural potential to support radiant, healthy skin with the help of Glyconutrients and a patented microsphere delivery system formulated to nourish your skin in a time-released pattern. Our lightweight formula glides on smooth to help reduce the appearance of fine lines and wrinkles, while protecting against future damage associated with aging.

Uth Moisturizer gives your skin the love it deserves every day. This exclusive blend of lavender extract, sunflower seed oil, and myrtle leaf extract provide needed ultra-hydration to help calm, plump and firm. Infused with the antioxidant vitamin E, our formula can restore the youthful tone and texture for visibly transformed skin.

WHAT MAKES THIS PRODUCT SPECIAL?

WHO IS IT FOR?

- **Primary:** Consumers 40+ years old looking to reduce the appearance of fine lines and wrinkles as well as minimize the appearance of new wrinkles.
- **Secondary:** Consumers 25+ years old looking to prevent and minimize the appearance of aging.

WHAT MAKES IT UNIQUE?

- By using all three steps in the Uth FACE system, you can achieve beautiful, age-defying skin.
- Our easy, 3-Step System utilizes nature's most prized beauty secrets to cleanse, revive and moisturize your face.
- This system gently improves skin tone, firmness, elasticity and reduces the appearance of fine lines and wrinkles.

TOP FAQ:

1. Why are Glyconutrients important for skincare products?

In skincare, Glyconutrients can help optimize the results of each product. They can absorb down into the deepest layers of skin, providing hydration and nourishment your skin needs to help achieve a healthy glow.

2. Who are Uth Skincare products ideal for?

Uth products are designed for people who desire daily hydration to soothe and protect their skin.

3. How often should I use Uth Skincare products?

For optimal results, use every morning and night.

4. Can children use the Uth brand products?

As with any product, Mannatech recommends that Uth products be used only as directed. Please speak with your healthcare provider prior to use on a child.

5. Are Uth Skincare products free of artificial colors and dyes?

Yes. All Uth products are free of artificial colors and dyes.

6. Are Uth Skincare products free of synthetic fragrances?

Yes. All Uth products are free of synthetic fragrances.

7. Why should I use both the Uth Moisturizer and the Uth Skin Rejuvenation Crème?

These two products have their own unique ingredients that independently provide nourishment and restorative benefits. Additionally, they work together to maximize the overall results you will see from using the Uth 3-Step System.

8. What are the key features Uth Facial Cleanser offers?

This non-drying formula effectively removes dirt, oil and make-up while gently exfoliating dead skin cells to reveal smoother, younger-looking skin. In a scientific study, it was found that over 90% of participants felt that the product improved skin texture.

9. What is the proper way to use the Uth Facial Cleanser?

Use morning and night. Apply Cleanser into the palm of one hand. Add water and massage hands together to create a light foam. Gently massage foam into face, neck and décolleté in upward circular motions. Rinse well with lukewarm water.

10. Why were milled grape seeds chosen for the Uth Facial Cleanser?

Grape seeds safely and naturally exfoliate and polish skin, revealing a healthier, more youthful-looking appearance without leaving a negative impact on the environment.

11. Why was Jeunesse 7 (a proprietary blend of minerals) chosen for the Uth Facial Cleanser formula?

This proprietary blend of naturally balanced and trace minerals, can improve hydration, elasticity and overall skin texture, helping to reduce the appearance of aging.

12. What makes Uth Skin Rejuvenation Crème special?

Uth Skin Rejuvenation Crème has a powerful time-released pattern to deliver Glyconutrients to the deepest layers of the skin. It also contains a proprietary herbal component to help protect against damage associated with aging.

13. Have there been any scientific studies for the Uth Skin Rejuvenation Crème?

Yes. The results show an improvement in firmness, elasticity, hydration, smoothness, brightness, tone, texture, lift jaw line contour and a reduced appearance of fine lines and wrinkles.

- 100% said their skin felt smoother.
- The skin of over 90% looked more radiant.
- Over 87% showed decreased appearance of fine lines.
- The skin of over 77% of subjects looked firmer.

14. What is the proper way to use Uth Skin Rejuvenation Crème?

Apply to clean skin morning and night. Starting at the base of the neck, stroke upward covering the entire neck and face areas.

15. Why were artichoke leaf extract and crocus chrysanthus bulb extract chosen for the Uth Skin Rejuvenation Crème?

These extracts are known for helping the skin appear firmer and smoother, reducing the appearance of fine lines and wrinkles.

16. Why do I feel a tingling sensation after applying Uth Skin Rejuvenation Crème?

This may be caused by sensitivity to the amount of bioactive ingredients in the formulation. Some skin types may be more sensitive than others. If you have sensitive skin, start gradually by using the product every three to four days over a four-week period. Then increase use to every day. If you continue to experience tingling or irritation that lasts more than three days, discontinue use.

17. Do I need to wait any period of time before applying another skincare or makeup product after Uth Skin Rejuvenation Crème?

Yes. For best results, wait five minutes before applying another product.

18. Why does color of the Uth Skin Rejuvenation Crème vary and change over time?

The color change over time in Uth Skin Rejuvenation Crème is due to astaxanthin. This ingredient is where the dark color comes from and it fades over time. There have been no changes to the Uth Skin Rejuvenation Crème formula. Mannatech's skincare products do not contain parabens and because of this, it is natural for the product to change slightly in color as the product ages.

19. What are the key features offered by the Uth Moisturizer?

This rich, powerful cream locks in moisture, relieves dry skin, and reduces the appearance of fine lines and wrinkles, leaving skin looking and feeling younger.

20. Have there been any scientific studies supporting these results?

- Yes. Scientific studies found over 93% had a decrease in scaling after a single application.
- After 8 weeks – 95% said the product left their skin feeling smooth. Over 81% indicated that the product reduced the appearance of fine lines.
- After 12 weeks – Over 88% reported that the product made their skin more elastic. Over 72% felt that the product improves skin tone.

21. What is the proper way to use Uth Moisturizer?

After letting the Uth Skin Rejuvenation Crème dry, apply Uth Moisturizer to the delicate area around the eye and to the face, neck and décolleté.

22. Why was myrtle leaf extract chosen for the Uth Moisturizer?

This extract is rich in galactose-containing oligosaccharides which are known for reducing the appearance of fine lines and wrinkles.

23. What are the benefits of having helianthus annuus (sunflower) seed oil in Uth Moisturizer?

Sunflower seed oil is known for providing moisture and reducing the appearance of dry, flakey skin.

DIRECTIONS:

Facial Cleanser: Use morning and night. Apply cleanser into the palm of one hand. Add water and massage hands together to create light foam. Gently massage foam onto face, neck and décolleté in upward circular motions. Rinse well with lukewarm water.

Rejuvenation Crème: After cleansing with your Uth Facial Cleanser, apply Uth Skin Rejuvenation Crème to skin morning and night. Starting at the base of the neck, stroke upward covering the entire neck and face area.

Moisturizer: After the Uth Skin Rejuvenation Crème is absorbed, apply Uth Moisturizer to the delicate area around the eye and to the face, neck and décolleté.
