

Better Health at the Cellular Level

Advanced Ambrotose® builds on the solid, scientific foundation of Ambrotose® powders and offers a version that is kosher, vegan friendly and enriched with additional nutrients like Wakame (*Undaria pinnatifida*).

Mannatech created Ambrotose 20 years ago to offer a product that is scientifically shown to help **promote the maintenance of good health**. Advanced Ambrotose helps in the development and maintenance of teeth, bones and night vision, as well as maintaining a health immune function.

Benefits:

- Provides naturally-sourced vitamin A and plant ingredients to support immune function.
- A factor in the maintenance of good health.
- Helps to maintain eyesight, skin and membranes.
- Helps the development and maintenance of night vision, bones and teeth.

FUN FACT

Wakame (*Undaria pinnatifida*), found in Advanced Ambrotose, is a mighty, edible, brown algae that has been used for thousands of years in Chinese and Ayurvedic (Indian) traditional practices and is known for promoting immune health.
