

Harness the Power of Aloe And Watch Your Body Do Amazing Things

In every aspect of your life, communication is key. Why would that be any different for your cells? Without proper nutrition, they can't communicate well, which can make it challenging to support your health. It's why **Ambrotose® Complex powder is formulated with a specialized blend of Glyconutrients[†] to support cell-to-cell communication.** With an added bonus of **digestive system support**, these powders help keep your health at its best.

Benefits:

- Supports cell-to-cell communication through a blend of specific plant saccharides including Glyconutrients.
- May enhance recall and recognition memory.
- Improves mood and decreases irritability.
- Helps support proper digestive system function.

FUN FACT

The trillions of cells in your body communicate with each other to get what they need. **Glyconutrients help your cells talk better** so they—and you—can be your healthiest.
