

Ambrotose Complex[®]

Good health and general wellbeing

Ambrotose Complex enhance/promote general health and wellbeing. It contains Mannatech's patented Manapol formula. Manapol aloe vera gel extract is rich in acemannan, a component of aloe vera gel known for its various healing properties, including immune system support. This purer form of aloe vera gel has a higher molecular weight than others, and is also richer in mannose, a glyconutrient. Adding Manapol aloe vera gel extract to Ambrotose Complex has enhanced the glyconutrient content, creating a more beneficial product.

Benefits:

- Helps enhance/promote general health and wellbeing
- Maintain/support healthy digestive system function
- Maintain/support healthy digestion
- Maintain/support gastrointestinal system health
- Maintain/support immune system health
- Enhance/improve/promote/increase memory/recall
