

Powerful Nutrient Complex For Immune and Digestive Health

Manapol®: Nature's Support for Health

Inside every Ambrotose product is **Manapol powder**. The **highest-grade aloe ingredient on the planet**, it's a pure, 100% aloe vera gel extract with no additives or common allergens. It's natural support for your body's health.

Advanced Ambrotose® was developed to nurture the body, to assist in the maintenance of overall well-being, and support for the immune and digestive systems. Formulated with rich Costa Rican Aloe for anti-inflammatory, antioxidant and immune-boosting properties. As well as glucosamine hydrochloride to help maintain healthy cartilage or joint health.

Benefits:

- Supports your immune system.
- Helps support proper digestive system function.
- Aloe has anti-inflammatory, antioxidant, detoxification and immune-boosting properties.
- When ingested, the bulk of tragacanth stretches the intestinal wall, increasing peristalsis. It increases stool weight and decreases gastrointestinal (GI) transit time.
- Glucosamine hydrochloride has anti-inflammatory and immune-boosting properties and helps to maintain healthy cartilage or joint health.
- Wakame is a source of fucoidans which aid in stimulating the immune system.
- Vitamin A is a fat-soluble vitamin that contributes to immune function.

FUN FACT

The trillions of cells in your body communicate with each other to get what they need.
