**M5M**  
MISSION 5 MILLION

Join Mannatech's mission to help enrich the lives of malnourished children around the world.

A healthy blend of vitamins and minerals is important for children everywhere. However, many of the foods being given to those in underdeveloped countries are not meeting the minimum nutritional criteria. Your participation in the M5M program makes it possible for us and our partners to provide nutrients to enrich the lives of children all over the world.
