- Supports healthy/comfortable nasal and sinus.*

2. Who is Manna-C ideal for?

Adults looking for an herbal option for nasal and sinus health support.*

3. Why is sinus and nasal health important?

There are many toxins and pollutants that can irritate your sinus and nasal passages. Providing support to your sinuses and nasal passages, as well as support to your immune system, gives your body a healthy way to maintain overall wellness.*

4. Why was an herbal blend included in Manna-C?

Our herbal blend was crafted with lemon verbena, sage, peppermint, catnip, boneset, yarrow, Wild bush plum, horehound and Ambrotose Complex. This plant-based blend promotes healthy, comfortable nasal and sinuses through antioxidant and immune support.*

5. Why was acerola cherry chosen for a source of vitamin C in the Manna-C formula?

Acerola is grown in tropical regions of the Americas. The fruit is known for being one of the richest natural sources of vitamin C.

6. What are some of the features Manna-C offers?

Our vegan friendly formula contains naturally-sourced ingredients and is free of dairy, gluten, preservatives, and artificial colors.
