Nourish Your Healthy Heart

With a unique formula designed to nourish your cardiovascular system, CardioBALANCE® capsules **help you take care of your heart.** An abundance of vitamins, heart healthy herbs and nutrients are packed in each capsule to help your body get the important nutrients it needs.

Proprietary herbal blend and vitamins including vitamins C, B₆ and B₁₂ come together to give you support against free radicals in one simple serving. This antioxidant combination promotes **health for the heart and body** so you can keep on living worry free.

To get essential nourishment for every beat of your heart, take CardioBALANCE today!

Benefits:

- Coenzyme Q10 helps to maintain and support cardiovascular health.
- Garlic helps reduce elevated blood lipid levels (hyperlipidemia) and maintains cardiovascular health in adults.
- Hawthorn has traditionally been used for cardiovascular conditions. It acts on the muscular tissue of the heart by increasing the force of contraction and lengthening the refractory period, increasing coronary blood flow and cardiac output, and reducing oxygen consumption. Provides significant amounts of important nutrients such as, vitamins C, vitamin B₆ and vitamin B₁₂.
- Policosanol has cholesterol-lowering properties.

FUN FACT

Many don't consume proper amounts of nutrients that are beneficial to heart health, including folic acid, vitamin B₆ and vitamin B₁₂. Getting them all in one serving helps your heart better!
