

Help Guard Yourself Against Harmful Toxins With a Boost of Antioxidants

From stress, pollution, processed foods and even aging, your body produces free radicals on a regular basis. This creates a chain reaction in your cells that can lead to damage and challenge your overall health.

Fight back against oxidative stress caused by free radicals with our scientifically studied Ambrotose AO® capsules. With superior protection against oxidative stress, the real-food ingredients in our capsules **help support** against the stresses the world is putting on your body.

Start winning the fight against oxidative stress by ordering Ambrotose AO today!

Benefits:

- Fights against free radicals to help you stay healthy.
- Helps the body cope with the harmful effects of oxidative stress.
- Aloe vera has anti-inflammatory, antioxidant, detoxification and immune-boosting properties.
- A powerful blend of antioxidants including vitamins C and E, grape extract, green tea and wild bush plum.
- Papaya contains papain as well as carotenoids and has antioxidant and immunostimulant effects.

FUN FACT

There is nothing you can do to stop the production of free radicals. In fact, even the healthiest person may have free radicals attacking their cells an estimated **10,000 times every day!**

COMPLEMENTARY PRODUCTS:
Use Ambrotose AO to improve the
effectiveness of these Mannatech products:

PLUS™

Specially formulated with wild yam
and beta-sitosterol to support
hormonal effects and overall
endocrine health, and L-lysine for
the maintenance of good health.

Advanced Ambrotose®

Nutrition support through a
specialised blend of Glycans,
Aloe and Vitamin A for immune
and digestive systems healthy.

Manapol™

Manapol is a 100% Aloe vera gel
powder that's harvested from volcanic
soil for ultra-purity. You can't get
a richer, natural source of Glycans
anywhere in the world. Manapol
powder includes a standardized
amount of the very high molecular
weight Acemannan polysaccharides
(1-2 million daltons) as defined by
the American Chemical Society.
