

Next Level Glycans For the Kid in All of Us

MannaBears™ are a yummy, wholesome, pectin gummy formulated to contain a quality source of Glycans from Manapol powder (Mannatech's exclusive, pure, Aloe vera extract). MannaBears also contain phytonutrients from dehydrated fruits and veggies like raspberry, broccoli, carrot, tomato and spinach. MannaBears are nutritious and delicious, both children and adults will love them!

Benefits:

- A good source of Glycans from Manapol powder, Mannatech's exclusive Aloe vera extract.
- Full of natural ingredients including: amla, raspberry, broccoli sprouts, broccoli, carrot, kale, tomato, and spinach.
- Naturally flavored, colored with vegetable and fruit juices, and sweetened with tapioca syrup and cane sugar.
- Incredibly delicious!

FUN FACT

Evaporated cane syrup crystals are dusted on the bears keep them from sticking together. This allows them to remain at peak condition during shipping and storage.
