

Ambrotose AO®

Protect your body from harmful free radicals

Ambrotose AO is your powerhouse of antioxidant support to protect your body from harmful free radicals. Antioxidants are an essential part of our diet and important for maintaining health. Mannatech's AO product is a powerful, advanced formula that offers over 2 ½ times more antioxidants than five servings of fruits and vegetables.

Research shows that one Ambrotose AO capsule twice daily increases the body's oxidative stress protection by 37.4%*.

Benefits:

- Antioxidant/reduce free radicals formed in the body.
- Maintain/support general health and wellbeing.
- Maintain/support immune system health.

Recommended Use:

Adults take 1 capsule twice a day. Use only as directed.

Ambrotose AO capsules contain ingredients that:

Reduce free radicals formed in the body and support immune system health.
