

# Give your Body Extra Immune Support\*

Stress, poor diet, lack of sleep and sometimes life in general can take a heavy toll on your immune system and your body can have a hard time keeping up.

ImmunoSTART® tablets are a proprietary chewable formula containing colostrum,  $\beta$ -glucan and modified citrus pectin. Designed to **help your body defend itself**, these tablets help give your immunity a natural kick so you don't have to slow down.\*

**Nurture your body to keep your immunity thriving!\***

## Benefits:

- Provides peptides, amino acids and glycoproteins designed to stimulate immune responses.\*
- Primes the immune system to help you stay healthy.\*
- Boasts a targeted array of nutrients that build and nurture immune health.\*
- Supplies natural antibodies.\*

## FUN FACT

**Colostrum**, a key ingredient in ImmunoSTART, contains various immune factors, including immunoglobulins. Immunoglobulin's (Ig) are one of nature's amazing antibodies, which are vital to having a normal immune response.\*
