# THE BENEFITS

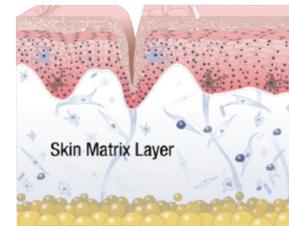

Mannatech's skincare technologies are based on some of the finest natural ingredients in the world.

High-quality plant based ingredients have been selected to provide unique moisturizing and age-defying benefits.

Uth Rejuvenation Crème delivers naturally sourced glycans, featuring Manapol® powder, to the skin's matrix to help spark its natural ability to reduce the appearance of fine lines and wrinkles.

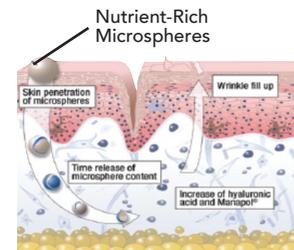

## PATENTED MICROSPHERE DELIVERY SYSTEM

UTH SKIN REJUVENATION CRÈME

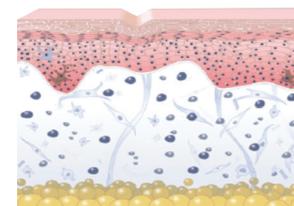

SKIN BEFORE APPLICATION

For the delivery of nutrients into the skin, Mannatech uses an extract of glycans. Glycans cover almost every cell in your body and provide a network that allows them to communicate many of their needs.

SKIN DURING APPLICATION

It is the combination of these glycans with our microsphere delivery system that gives the skin a more youthful appearance and helps support cell-to-cell communication.\*

SKIN AFTER APPLICATION

Our patented microsphere delivery system is formulated to penetrate the deepest layers of the skin and provide the first controlled time-release mechanism for these youth-inducing ingredients.

The impact can be immediate and profound, restoring your skin to its smooth, youthful appearance.\*

\* Results and timing may vary. It is recommended to use product for 8 weeks for optimal results.

# REAL RESULTS

UTH SKIN REJUVENATION CRÈME

\* These photos represent an application of the Generation Uth Skincare system by Mannatech Associates both morning and night for 4-12 weeks. Individual results may vary. It is recommended to use the three-step regime for 8 weeks for optimal results.

# CLINICAL STUDY

UTH SKIN REJUVENATION CRÈME

Uth™ Skin Rejuvenation Crème was tested in a clinical trial conducted by Thomas J. Stephens & Associates, Inc.

Participants saw a reduction in the appearance of fine lines and wrinkles, an improvement in the evenness of the skin's tone and in its firmness and elasticity.

\* Results and timing may vary. It is recommended to use the three-step regime for 8 weeks for optimal results.  
\* Percent of subjects with improvements.

# UTH SKINCARE SYSTEM

The perfect fusion of science and nature with a holistic approach to healthy natural looking skin.

A simple three-step system designed to refresh your skin from day one!

1. Uth Facial Cleanser
2. Uth Skin Rejuvenation Crème
3. Uth Moisturizer

## 1 UTH FACIAL CLEANSER

Uth Facial Cleanser removes dirt, oil and makeup, leaving your skin feeling fresh and radiant. Formulated with finely milled grape seeds, aloe and sunflower seed oil.

Uth Facial Cleanser cleanses the skin and prepares it to optimally absorb Uth Skin Rejuvenation Crème.\*

### DIRECTIONS

Use morning and night. Apply a small amount into the palm of one hand and gently massage into a foam. Smooth onto face, neck and décolleté. Rinse with lukewarm water and pat dry.

### Botanical Ingredients

-  **Milled grape seeds**  
A natural exfoliant infused with powerful antioxidants to combat free radicals.
-  **Aloe barbadensis leaf juice powder**  
To help moisturize the skin.
-  **Sunflower seed oil**  
Gives long lasting moisturization for up to 24 hours.

\* Results and timing may vary. It is recommended to use product for 8 weeks for optimal results. New packaging available from late November 2017 (estimate).

# UTH SKIN REJUVENATION CRÈME

Nourish your skin using a revolutionary, patented microsphere delivery system to give your skin a more youthful appearance.

Uth Skin Rejuvenation Crème is designed to firm and tighten by promoting the skin's ability to renew itself through cell-to-cell communication.\*

## DIRECTIONS

After cleansing, smooth Uth Skin Rejuvenation Crème on your face, neck and décolleté morning and night.

### Botanical Ingredients

#### *Crocus chrysanthus* bulb extract

Increases skin firmness.

#### Wild pansies

Reduces the appearance of wrinkles and improves skin hydration.

#### Artichoke leaf extract

Improves skin elasticity and texture, giving it a soft and smooth appearance.

#### Manapol powder

Helps to reverse the signs of ageing.

#### Astaxanthin

An antioxidant that conditions the skin.

## BOTANICALS IN UTH REJUVENATION CRÈME

### GRAPE SEED OIL

to tighten the skin with its natural astringent qualities.

### ARTICHOKE LEAF EXTRACT

is packed with anti-ageing properties.

### CROCUS CHRYSANTHUS BULB EXTRACT

to promote elasticity.

### HYDROLYSED VIOLA TRICOLOR EXTRACT

to help circulate water from the top layer of skin (epidermis) towards deeper skin layer (dermis).

### ALOE VERA

delivers a rich blend of natural sugars and amino acids, leaving skin firm and supple.

### ASTAXANTHIN

helps defend the skin against the signs of ageing. It naturally gives the product a peach colour.

### SUNFLOWER + JOJOBA SEED OILS

to promote anti-ageing and soften skin.

### SODIUM HYALURONIC ACID

to attract and hold moisture to the skin. It provides continuous moisture to the skin by binding up to 1000 times its weight in water.\*

\* Results and timing may vary. It is recommended to use product for 8 weeks for optimal results.

## UTH MOISTURIZER\*\*

Give your skin the rich hydration it needs. Formulated with lavender and sunflower seed oil for long-lasting moisture. It also contains rich myrtle leaf extract, a botanical that helps reduce the appearance of fine lines and wrinkles.

Uth Moisturizer completes the system that promotes more youthful and smooth skin, noticeably decreasing the appearance of fine lines and wrinkles.\*

### DIRECTIONS

After using the Uth Rejuvenation Crème, apply Uth Moisturizer to the face, neck, décolleté and around the delicate area of the eyes.

#### Botanical Ingredients

#### Sodium hyaluronate

A skin-conditioning polysaccharide that, when applied to the skin, can form a protective layer to help restore hydration and moisture.

#### Vitamin E

A moisturizing antioxidant to reduce the appearance of premature ageing.

#### Sunflower seed oil

Provides long-lasting moisture and conditions the skin.

## UTH EMPRIZONE

Created with botanical ingredients, vitamin A, E and the addition of our patented Ambrotose Complex, our unique formula leaves your skin feeling hydrated and refreshed.

Our aloe-based Emprizone gel revitalises and restores your skin. Protect your skin today!

### DIRECTIONS

Apply at least once daily to face, hands and your body.\*

#### Botanical Ingredients

#### Sodium hyaluronate

A skin-conditioning polysaccharide that, when applied to the skin, can form a protective layer to help restore hydration and moisture.

#### Aloe barbadensis leaf extract

To help moisturize the skin.

#### Vitamin E

A moisturizing antioxidant to reduce the appearance of premature ageing.

#### Vitamin A

It encourages healthy skin cell production and also stimulates fibroblasts.

\* Results and timing may vary. It is recommended to use product for 8 weeks for optimal results.

\*\* New packaging available from late October 2017 (estimate).

\* For external use only. Do not put in eyes or on open wounds.
